As an innovative, progressive institution, the Toronto Institute of Pharmaceutical Technology (TIPT) is dedicated to training pharmaceutical professionals who are poised to make a direct contribution to the pharmaceutical industry.

Our graduates are already working all around the globe, making a meaningful contribution to both their companies and the industry at large through their practical, hands-on industry skills in all areas. We'd love for you, too, to be able to take part in the TIPT experience, so we are extremely pleased to invite you to our Winter Pharmaceutical Career Fair.

Held semi-annually, the Fair is an exclusive event designed to connect you, the employer, with today's most qualified candidates in the areas of research and development, quality assurance and quality control, manufacturing technology and regulatory affairs. Along with diverse, multinational backgrounds and education, our graduates possess the thorough, hands-on training in the specific techniques and instrumentation that you'll need in the workplace. As recent graduates, they have been instilled with the work ethic that has been central to the successful completion of their studies and will be to your benefit in their future work for you.

On November 6<sup>th</sup>, 2008, you'll be able to meet with these graduates in an exclusive one on one setting at our new, centrally located Scarborough campus. TIPT students in the advanced portion of their program will also present short presentations on their current areas of study.

The day's two options can be summarized as follows:

**Option A: Meet and Greet Booths (10AM - 2PM)**  
**Option B: Meet and Greet Booths (10 AM-2PM) + Student/Alumni Poster Presentations (2PM-3PM)**

*Set-up time will be available from 9-10 AM, and breakfast and lunch will be provided.*

If you have any questions or concerns, please don't hesitate to contact us at [peatd@tipt.com](mailto:peatd@tipt.com). You can also visit our website, [www.tipt.com](http://www.tipt.com) for information about the school, its programmes and alumni. A detailed registration form is attached; be sure to register early to beat the rush!
